

APS CANTEEN INFORMATION

The canteen is open on Wednesdays and Fridays

What days will it operate and what will be offered?

On Wednesdays and Fridays you can order lunch through School Lunch Online. Orders are placed and paid online, please read the School Lunch Online section that follows. We will need volunteers to help with children receiving their orders.

Who can order?

Online lunch orders can be placed for students in Pre Primary to Year 6 and school staff (for staff please select 'staff' under class option).

What food is going to be available?

The lunch menu for Wednesday and Friday can be viewed at www.schoollunchonline.com.au after quickly registering and selecting Applecross Primary. If you are familiar with this service at other schools you may notice our selection differs due to our schools allergy minimisation policy.

How can I offer my help?

This canteen can only continue with the help of parents/carers!!! For lunch orders one or two volunteers are needed from 12:15 to 12:45 Wednesday and Friday. An online interactive timetable can be found at <https://drive.google.com/file/d/1bXTjEOoCDF-oQVKTPsFdzucMU7n-FeCM/view?usp=sharing> where you can easily add your name in a timeslot. This link will work on PCs and tablets, but it's likely you'll only be able to view it on your mobile phone and not add your name. Depending on your browser settings the roster may open as read-only, and you can quickly add your name and close. Otherwise, you can press 'o' to open the document and enter your name, or alternatively quickly download it and add your name. If prompted please press save otherwise it will automatically save. If you have any problems with this timetable you can email canteenapplecross@gmail.com to offer your help - please just indicate your preferred day.

School Lunch Online is supplying fresh, healthy lunches to Applecross Primary School on Wednesdays and Fridays. You can now log on to www.schoollunchonline.com.au and choose from a great list of lunch options and pay online.

Who is supplying the food?

Chef's Delight, a locally based company, is providing the food on Wednesdays. They comply with the schools nut and soy minimization policy. They are very amenable to menu changes and welcome suggestions if you would like to see something new.

Il Sorriso, another locally based company will be providing the food on Fridays. They have a simpler menu selection but are also very amenable to menu changes and welcome suggestions if you would like to see something new. Il Sorriso will also be complying with the school's nut and soy minimization policy.

When will I have to order?

The Cut Off Time: Orders MUST be placed by 8am on the day of delivery.

Ordering in Advance: Orders can be placed in advance within the current school term, and if needed cancelled by 8am the day of the order.

How do I place my order?

Visit www.schoollunchonline.com.au. Register your family including selecting each child's room number and then follow the prompts to choose your lunch selection and place your order. Its very easy and user friendly! Once you have added your children during registration they're saved in your account and subsequent ordering is as simple as choosing what food each wants.

What if I encounter a problem?

School Lunch Online has conducted extensive testing to ensure the website and system are fully functional from day one. However, if you do encounter a problem, or simply need a little help with getting started, please contact them for help at hello@schoollunchonline.com.au or use the online chat.

How do I find out more?

The Canteen Coordinator for 2020 is Louise Russell. Please contact Louise at canteenapplecross@gmail.com. Or feel free to chat to her at school.
