Dear Parents and Carers

As part of our Biological Science strand of the Science curriculum, students from Rooms **6, 18 and 19** are invited to attend the Eco Action Minibeast **incursion** on Thursday **9 September 2021**. This incursion is a 60-minute educational hands-on workshop, which introduces students to a range of different invertebrates who fulfil key roles in the environment. Students will be able to interact up close with a range of minibeasts while learning how crucial invertebrates are for creating healthy soil ecosystems.

The cost of this incursion is \$11 per student. This will be deducted from your child's upfront payment. Please ensure you forward payment if you have not already done so.

If you give permission for your son/daughter to be involved in this incursion, please complete the Parent Permission and Payment form attached and return it by Friday 3 September 2021. If you have any queries, please contact your child's teacher.

We look forward to this educational incursion.

Kind regards

Mrs Jasper, Mrs Cook and Mrs Cecins
Year 2 Teachers
