

APPLECROSS PRIMARY SCHOOL PARENTS AND CITIZEN'S ASSOCIATION INC

The primary role of a P&C Committee is to work with the school and school families to give students the best possible school experience. We do this by:

- **providing resources and supporting the upgrade of facilities** eg the installation of reverse cycle air conditioning in the undercover area (our major fundraising initiative in 2025), contributing to new library books, educational resources, the hardship fund and the graduation ceremony, a stage for Edu-Dance, and the planting of new trees and greenery along the nature strip;
- **managing initiatives** like the Canteen (which is completely run by parent volunteers), and the Scholastic Book Club;
- **hosting events** with the primary aim of building strong school community relationships, such as the School Disco, Mother's Day and Father's Day stalls, the Lapathon, Faction Carnival bake stalls, Election Day Sausage Sizzles and end-of-term treats; and
- **connecting and supporting** parents, teachers, students and members of the general community.

The success of P&C events and school fundraising relies on a strong team effort, and we are sincerely grateful to the Applecross Primary School parent community. Every contribution makes a difference. Joining the P&C is one of the best ways to stay informed about what's happening at the school, connecting with others. Parents are welcome at our termly P&C Meetings - dates can be found on our school calendars.

At the conclusion of 2025, we farewelled our dedicated outgoing P&C President, **Linda Czajka**, along with committee members **Magda Chilli** and **Asta Morton**. We extend our sincere thanks for their hard work and commitment in supporting the school through numerous fundraising events.
