

Dear Parents

This semester, the Pre-Primary students have been focusing on different aspects of Geography. The main concepts being investigated are:

- places that are special to us and the people around us
- the reasons some places are special to people
- the representation of familiar places on a map
- familiar places in the local area and why they are important

To further develop our understanding, we are going to go on a community walk to Ardross Street. The children will have an opportunity to discover the familiar places in the local area and ask questions to people who work at these places. We will then walk down to Jeff Joseph Reserve to eat lunch before returning to school.

When: Tuesday, 15 December 2020

There is no cost for this community walk, however please return the consent form below to the classroom by **Thursday, 10 December 2020** if you wish your child to attend.

Kind regards
Emma Thomson, Nicky Thomson and Katie Edmonds
